REMARKS

In support of this Petition to Withdraw Holding of Abandonment based on Failure to Receive Office Action, Applicants hereby submit the following declaration and documents to show that the Applicants' attorney did not receive the Office Action of March 8, 2005:

(1) A declaration by Brian Coleman. Brian Coleman is a registered patent attorney for the Menlo Park, California office of law firm of Perkins Coie. (Exhibit 1)

(2) A declaration by Hung Lieu. Hung Lieu is the docketing specialist for the patent group at the Menlo Park, California office of law firm of Perkins Coie. (Exhibit 2)

(3) A docket and mail log enclosed referred in Hung Lieu's declaration, showing that both the Office Action of March 8, 2005 and the Notice of Abandonment were not received by his office. (Exhibit 3)

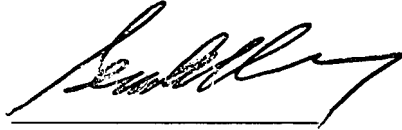

Although both declarations reference 37 C.F.R. §1.137(b), the declarations and the enclosed docket and mail sufficiently establishes that the Office Action of March 8, 2005 was not received by the Applicants' attorney, entitling the applicant to file a petition to have the holding of abandonment withdrawn based on failure to receive office action.

Further, we also enclose an associate power of attorney from Brian Coleman, granting associated power of attorney to Gerald Levy and our firm. (Exhibit 4)

In view of the above, Applicants request the grant of this Petition and that the time period for responding to the Office Action to be restarted.

Applicants do not believe that any fee is due with this petition. However, if any fee is due, please charge such sums to our Deposit Account 50-1145.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Gerald Levy", written over a horizontal line.

**Declaration By Brian R. Coleman In Support of Petition to Revive
Unintentionally Abandoned
Application under 37 C.F.R. § 1.137(b)**

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450

Sir:

The undersigned, Brian R. Coleman, is the attorney of record in this application.

This declaration accompanies a Petition to Revive Unintentionally Abandoned Application under 37 CFR 1.137(b) and is being filed more than 1 year after the apparent date of abandonment. This declaration explains how the abandonment occurred and how it was unintentional.

1. I understand the practices and procedures involved in the receipt-of-mail process and docketing process at our office in Menlo Park, California. I have spoken with the Docketing Specialist, Hung Lieu, who was responsible for implementing these procedures in 2005 in our office. After checking the mail logs, Mr. Lieu confirmed that we never received either the March 8, 2005 Office Action or the October 18, 2005 Notice of Abandonment. A separate declaration by Mr. Lieu is attached.

2. The responsible and managing US patent attorney for this specific case in 2005, when the March 8, 2005 Office Action and the October 18, 2005, Notice of Abandonment were mailed, was Paul L. Hickman who left Perkins Coie, LLP in February 2006.

3. At the time of Mr. Hickman's departure from Perkins Coie, unaware of the abandonment of the present application, I sent a letter on February 10, 2006, to Mr. Kenichi Nakayama at Matsubara, Muraki & Associates (Matsubara). (Mr. Nakayama was the Japanese patent attorney I believed to be handling this matter for Matsubara, the Japanese patent firm

which has direct contact with the applicant for this patent application.) I requested directions as to the disposition of this case. I did not receive a reply from Mr. Nakayama.

4. On May 18, 2007, Matsubara requested information as to the status of this patent application. Matsubara has no record of receiving my February 10, 2006, communication. In addition, Mr. Nakayama, who was our contact for this patent application, has since left Matsubara.

5. After receiving the request for the status of the patent application, I discovered online through the Private PAIR system that an Office Action had been mailed on March 8, 2005 and a Notice of Abandonment had been mailed on October 18, 2005.

6. Since discovering the abandonment, we have been working with the applicant and Matsubara to determine the cause of abandonment, and prepare the Response necessary to revive the present application.

7. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,
Perkins Coie LLP

Sir:

I, Hung Lieu, hereby declare as follows:

1. I am the Docketing Specialist for the patent group at the Menlo Park, California office of the law firm of Perkins Coie, LLP. I have been managing the docketing system since July 2001.

2. In 2005, when the March 2005 Office Action and October 2005 Notice of Abandonment for this application were mailed from the USPTO, I received all of the mail for the patent group and entered the items into the mail log. I was also responsible for entering dates to be tracked for patent cases in the docketing system. Normal practices and procedures were followed for the receipt-of-mail process and the docket-entry process.

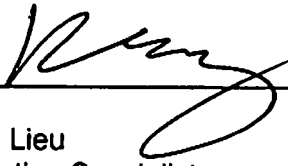

3. I have personally reviewed the mail logs for a period of two months starting from the date of the mailing of the Office Action, March 8, 2005, and for a period of two months starting from the date of the mailing of the Notice of Abandonment, October 18, 2005. There were no entries for receipt of either the March 2005 Office Action or the October 2005 Notice of Abandonment for this application. I have attached the mail logs for the two-month time periods following each of the dates of mailing.

4. I have also personally reviewed the docketing system and did not find any deadlines entered in the system corresponding to receipt of the March 2005 Office Action or the October 2005 Notice of Abandonment.

5. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,
